

Choose your SIZE

1. Print the document in A4 format make sure that the scale of page is set to "none" in the print options.
2. Measure first gray line to the side and check that this is exactly 50mm long (5cm) or second line 2in.
3. If the measurement is not accurate, please verify that you are printing in "full size" and reprinting.
4. Be careful you do not select the print option "Fit to Page".

1. Choose a ring in your possession that you put on your finger.
2. Place the ring over the circles mentioned below until you can find one in which the printed circle is just visible inside your ring.
3. If a ring falls between two sizes, please use the larger measure.
